CONDITIONS

The further development of ETOS will be discontinued at the end of 2022, therefore the maintenance of ETOS will be also terminated. As a replacement, partslink24 is provided.

All ETOS customers who convert their ETOS subscription to a partslink24 subscription by September 30, 2022 will be granted an extraordinary right of cancellation for the ETOS licenses by LexCom Informationssysteme GmbH. Every ETOS user who **completes and returns this cancellation form** can use **partslink24 free of charge with their existing access data (myETOSinfo-ID and password)** until September 30, 2022.

Upon receipt of the cancellation, ETOS billing will be stopped as of the following month. We kindly request the return of your ETOS hardlock(s).

At the end of the free of charge usage period, users will be invited by email to sign up for a paid partslink24 subscription, but this is not mandatory. The partslink24 subscription prices valid for your country [can be found here](#).

Cancellation:
I hereby exercise the extraordinary right of cancellation and terminate my ETOS license at the next billing date. The cancellation becomes effective by sending the form to etosgoespartslink24@lexcom.de and LexCom will stop billing.
